Resolution on Haiti

Original: Spanish

The Socialist International Committee for Latin America and the Caribbean, meeting in Montevideo, capital of Uruguay, adopts the following resolution with regard to Haiti:

- 1.- Asks the progressive and democratic forces in Haiti to continue in their efforts to set in motion as soon as possible the Permanent Electoral Council and the Constitutional Council, two important institutions for strengthening the democratic process in that country;
 - 2.- Urges all the democratic forces in Haiti to continue their work for the strengthening of the State institutions and for transparency;
 - 3.- Promotes the implementation in that country of a policy of economic and social development capable of generating decent jobs to curb the migration of the Haitian population, giving back to the youth confidence in the future of their country.
