

Meeting of the Council of the Socialist International  
United Nations, New York, 11-12 July 2017

**DECLARATION ON SYRIA**

The Syrian crisis has taken various dimensions that pose a threat to world peace, which therefore require an urgent and just solution and to continue the efforts of the international community to eradicate terrorism.

Efforts should continue so that all Syrian democratic forces should be integrated into the peace efforts in both Geneva and Astana.

The countries of the region, as well as the international actors, must cooperate towards the goal of a peaceful resolution at the conflict which will lay the foundations for an open, inclusive and peaceful Syria, one that guarantees the security of all and the respect of every citizen's diverse identity. Only then can the return of refugees be realized and the reconstruction of Syria be accomplished.
