LUIS AYALA
SI Secretary General

Dear Mr. Ayala,

With this letter I would like to inform you that the Chairwoman of BSP Ms Korneliya Ninova, who is now completing her first term as Vice President of SI, is submitting her candidacy for re-election at the upcoming SI Congress.

Following a row of four early parliamentary elections in the past year and a half, we expect that the political stability and predictability is returning to Bulgaria, which will allow for BSP to resume its traditionally active international commitments within SI.

Wishing you a successful and fruitful Congress,
With fraternal regards,

Kristian Vigenin
BSP Deputy Chairman
