Dear General Secretary of the Socialist International Luis Ayala,

We ask you to accept the nomination of a candidate - Temirlan Sultanbekov - for the post of vice-president of the Socialist International from the Social Democrats party.

We believe that in the 21st century the political situation in Central Asia will be key to maintaining stability in the entire Asian region.

We make promise undertake to establish coordination between the political parties of Central Asia (Kyrgyzstan, Tajikistan, Kazakhstan, Uzbekistan, Afghanistan, Turkmenistan), the CIS and the world, and also to make every effort to establish peace and stability in our region, increasing the influence of the Socialist International.

Sincerely,

Political Council of the Social Democrats
